*APY = Annual Percentage Yield. 5.51% APY paid on balances between zero and \$25,000 and 1.25% APY paid on all amounts above \$25,000 each statement cycle the minimum requirements are met. If you do not meet the minimum requirements during a given statement cycle, you will earn the Base Rate of 0.51% APY. Rates are effective as of March 11, 2009. We may change the interest rate and APY at any time after the account is opened. **Free ATM fee refunds are up to \$25 per statement cycle when the minimum requirements are met. No minimum balance required to open this account. Available to personal accounts only. No monthly service charge. If you do not meet the minimum requirements per statement cycle, your account will still function as a free checking account earning the Base Rate, however it will not receive ATM refunds for that time period.
