CardValet®

We would like to thank you for your continued support of Bank of Blue Valley. As we prepare for the upcoming system conversion, we are writing to let you know that the CardValet® Mobile Application will be discontinued on Friday, August 23, 2019.

We understand that having peace of mind is critical when it comes to your banking. With Bank of Blue Valley's *new* online banking system you will have access to the alert feature to set up notification alerts on dates, accounts, online transactions and history.

This feature will be available to you on Monday, August 26, 2019. Detailed information can be found in the Consumer Resource Center *"Quick and Easy Guide to Online Banking"* on our website.
